

April 2023

Dear Parent/Carer

### **PUMPKIN CHALLENGE 2023 – DELAPRE PRIMARY SCHOOL**

It's that time of year again!  
We run a competition to see which child can grow the biggest or smallest pumpkin from a seed, and the winner will receive a cup.

Two seeds will be handed out to each child in all year groups except Year 6, as they will no longer be with us in October of this year for the prize giving.

This year we would like photographic evidence of the children growing their pumpkins with diary entries of the growing progress if possible. This is to encourage each child to enjoy growing something from seed and caring for it. This will incorporate all five of the school's curriculum drivers.

We will notify you of a date in October when all the pumpkins are invited in for a weigh-in and for the presentation.

Thank you for your continued support, and 'Good Luck' to all the children taking part!

Yours faithfully

A handwritten signature in purple ink that reads 'Sarah Gordon'.

**S Gordon (Miss)**
