Str	and		Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Structure of the second median second s		Being My Best	Feel resilient and confident in their learning. Name and discuss different types of feeling and emotions. Learn and use strategies or skills in approaching	I can name a few different ideas of what I can do if I find something difficult. I can say why certain foods are healthy and why it's important to eat at least five portions of vegetables/fruit a day.	I can name different parts of my body that are <i>inside</i> me and help to turn food into energy. I know what I need to get energy. I can explain how setting a goal or goals will help me to achieve what I want to be able to do.	I can give a few examples of things that I can take responsibility for in relation to my health and give an example of something that I've done which shows this. I can explain and give an	I can give a few examples of different things that I do already that help to me keep healthy. I can give different examples of some of the things that I do already to help look after my environment.	I can give an example of when I have had increased independence and how that has also helped me to show responsibility.	Year 6 I can tell you how I can overcome problems and challenges on the way to achieving my goals. I can give examples of an emotional risk and a physical risk.
