Reading

Each night, please listen to your child read for around 10-15 minutes and sign their reading diary, it would be really helpful if you could also write a short comment summarising how your child has read. If your child does not read for two consecutive nights, they will be given the opportunity to read for 5 minutes at playtime.

We thank you for your continuous and ongoing support you give your child/children to enable them to achieve their full potential within Year 2.

Kind regards,

Mrs Prigmore-Wells
