Reading, Homework and Spellings

Please continue to listen to your child read every day. This will enable your child to make good progress in all areas of their learning. Please remember to comment in your child's reading book as this acknowledges their strengths and weaknesses and enables us to provide specific support within school. Homework starts this term! The children will be given Maths and English tasks on alternate weeks, finished homework is due in on Wednesdays. We encourage homework to be completed independently and in pencil. In addition, we are setting weekly spellings which will be tested on a Thursday.

We thank you for your continuous and ongoing support you give your child/children to enable them to achieve their full potential within Year 2.

Kind regards,

Mrs Prigmore-Wells
