Spellings and Homework Please continue to support your child to learn their weekly spellings ready for their test every Thursday. Please ensure your child's weekly homework is completed independently in pencil and handed in by Wednesday of each week.

Reading. Please support your child in reading in preparation for reading comprehension test. Please listen to your child read for about 10-15 minutes and sign their reading diary, it would be really helpful if you could also write a short comment summarising how your child has read. If your child does not read for two consecutive nights, they will be given the opportunity to read for 5 minutes at playtime. Please find attached some helpful questions to ask your children whilst reading.

How to further help your child at home

Regular reading. Common exception words. Number bonds & times tables (Numbots and TTRS)

Dates for diary: w/c 15th May please ensure children eat a good breakfast, arrive on time and are prepared for their **SAT'S papers**. (We call these 'Special Quizzes' to remove test anxiety.)

Please do not book medical appointments or holidays for this week.
